on science and humanity

"The rapid progress true science now makes, occasions my regretting sometimes that I was born so soon. It is impossible to imagine the height to which may be carried, in a thousand years, the power of man over matter. We may perhaps learn to deprive large masses of their gravity, and give them absolute levity, for the sake of easy transport. Agriculture may diminish its labor and double its produce; all diseases may by sure means be prevented or cured, not excepting even that of old age, and our lives lengthened at pleasure even beyond the antediluvian standard. O that moral science were in as fair a way of improvement, that men would cease to be wolves to one another, and that they now improperly call humanity!"

MR. MILTON SCHECHTER

IN MEMORIAM

The Class of January 1959 dedicates this book to Mr. Milton Schechter, who died December 20, 1958. His understanding and guidance were invaluable to us. He was an artist and a gentleman who showed us patience and gave us worthwhile advice. Words cannot adequately express our loss. His career may be summed up by these lines from G. B. Shaw: "I believe in the redemption of all things by beauty everlasting and the message of art . . ." or in the words of the magnificent Keats (who himself died so young): "A thing of beauty is a joy forever, its loveliness increases; it never passes into nothingness."

CLASS ADVISERS

TO OUR CLASS ADVISERS

We, the Class of January 1959, express our deep appreciation to Mrs. Marion S. Cunningham and Mr. Robert R. Reilly for their patience and guidance through one of the most important aspects of our school experiences—organizing us into a class with all its activities.

Thanks once more.

TO MISS MARY S. RYBKIEWICZ

We are deeply indebted to Miss Rybkiewicz, who took time out to advise us and to help us determine our futures. We all thank her very much.

MR. MILTON SCHECHTER
Design and Production

TO MR. MILTON SCHECHTER

Our thanks to Mr. Schechter for his guidance in the preparation of our yearbook. He has helped to make it one of the best.

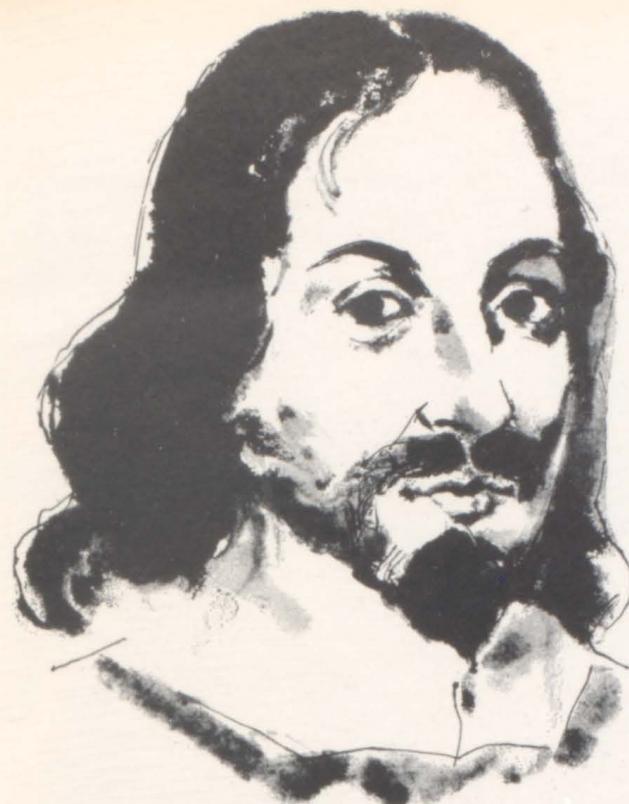

OUR PRINCIPAL

MR. ALBERT D.
ANGELL, JR.

Congratulations to you, the Class of January 1959. Your school is a better one because of your many contributions. You will be missed by those you leave behind. Nevertheless, we shall watch with pride your success in life.

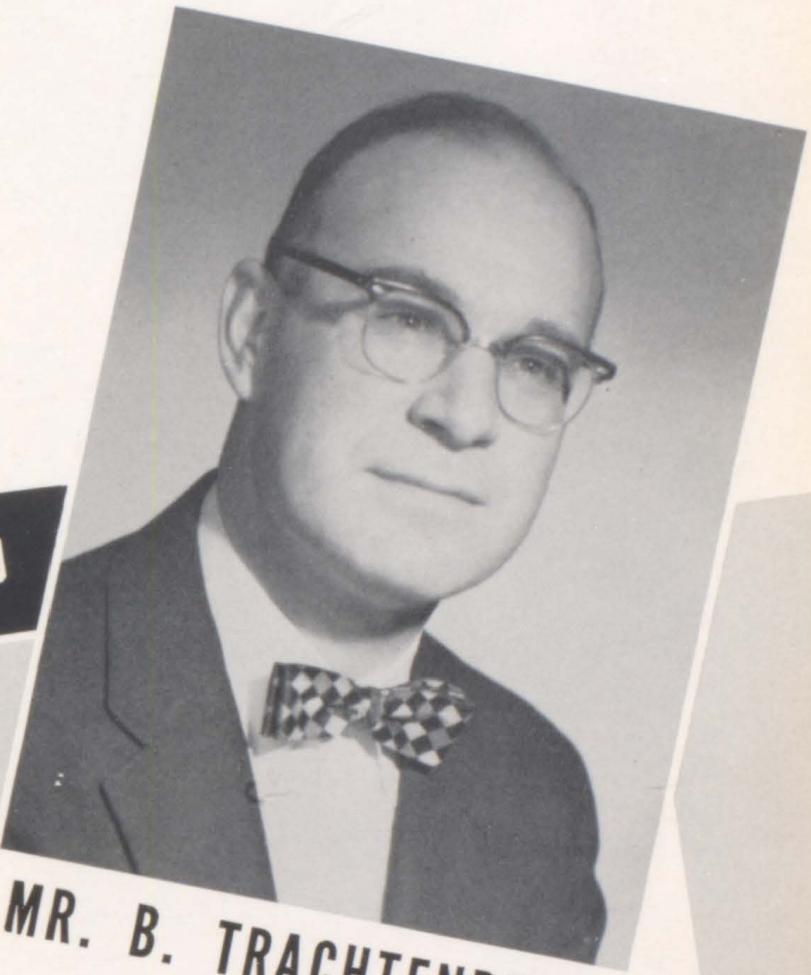

Albert D. Angell, Jr.

FRANCIS BACON . . . on studies

"to spend too much time in studies is sloth; to use them too much for ornament is affectation; to make judgment wholly by their rules is the humor of a scholar. Crafty men condemn studies, simple men admire them, and wise men use them, for they teach not their own use; but that is a wisdom without them, and above them, won by observation.

— Essays 50. Of Studies, 1625

MR. B. TRACHTENBERG

Vice Principal

With the completion of this year's work, each member of the graduating class will have attained another milestone on the road of life. The future holds great challenges, economic, social, political and personal. I trust your training at Central High School will serve you well so that you will be filled with success and happiness.

B. Trachtenberg

MISS M. DEVONALD

Counselor

For the members of the Class of January 1959, we wish success and happiness in the work they will enter.

" . . . no fact is so simple that it is not harder to believe than to doubt at the first presentation . . . Desist, therefore, from thrusting out reasoning from your mind because of its disconcerting novelty. Weigh it, rather, with disconcerting judgment. Then, if it seems to you true, give in. If it is false, gird yourself to oppose it."

JOHN WHEELER.
Through hard work,
John gained a Varsity
letter and a
position on the 1958
eleven.

FRED SPERDUTO was
first-string tackle for
the past three seasons.
He proved to be one
of the best tackles in
city competition. He
was a hard, stalwart,
serious player on the
defense.

MARVIN HEWLETT played
defensive halfback. He was
a strong tackler who gave
his all. Marvin played on
the 1957 team.

FOOTBALL

Although our 1958 team did not have a successful season, the players learned the importance of clean, sportsman-like play. The majority of the team were always in the game fighting. They had experiences that will profit them in the future.

SPERDUTO OPENING HOLE IN LINE

MOSS TURNING RIGHT END

SAM MAURO

Sam was used as a relief pitcher and played his role well.

BASEBALL

Although handicapped by the loss of our best pitcher, Central baseball team managed to finish in fourth place in the City League. The team was a hard hitting ball club which defeated Weequahic, second place team, two out of three games. Our boys came back strong and showed plenty of spirit in the second half of the season.

ROBERT REILLY
Coach

TONY RADICE

Tony had all the requirements of a good fielder. He also was respected at the bat by the opposing pitchers.

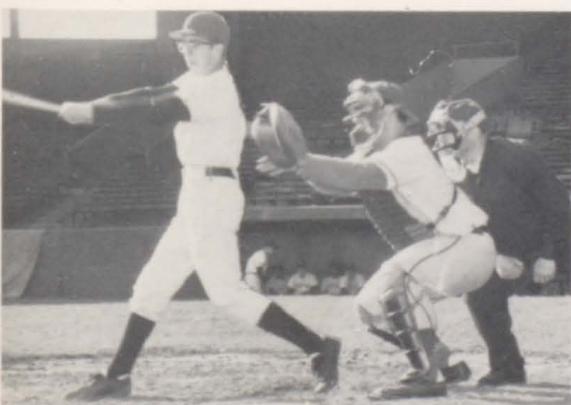

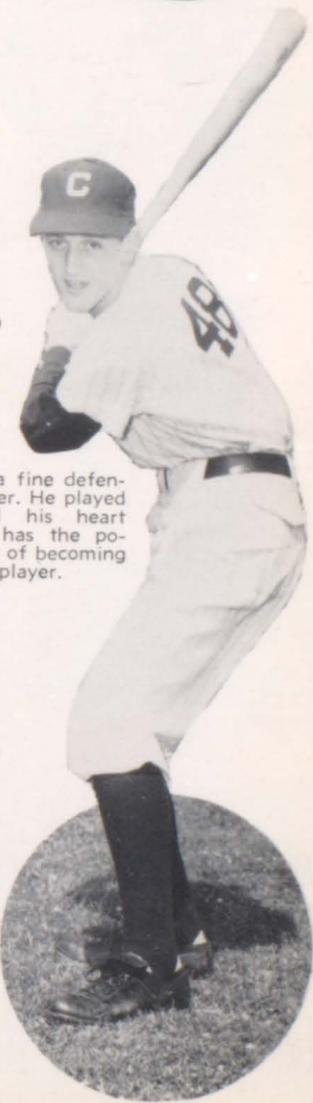

VINNIE MAURO

Vinnie earned a varsity letter due to his slick fielding ability. He took many a hit away from opposing batters.

SAL SARNO

Sal was a fine defensive player. He played with all his heart and he has the potentiality of becoming a good player.

MAURO, MISSING A FAST ONE.

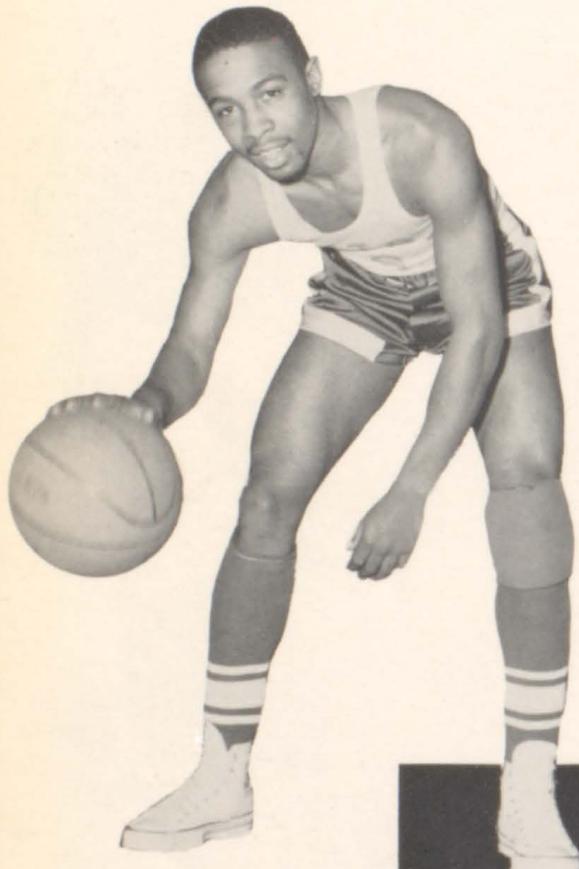

WHERE DID IT GO?

SOL FLEISCHMAN
Coach

BASKETBALL SQUAD

CHARLES KNOX
He was a varsity player for three years. In 1956 and '57, Charles earned Varsity letters and was one of the key players for the season. He directed Central's offensive play. "Hop" was a good defensive player with a deadly set shot.

ONE OF THEM
SHOULD MAKE IT.

BASKETBALL

The prospects for a successful season for the 1958 Basketball team were very promising. The boys performed exceptionally well in their pre-season scrimmages. Coach Fleischman was confident that the players would improve on last year's record.

A MASS ATTACK AT PRACTICE.

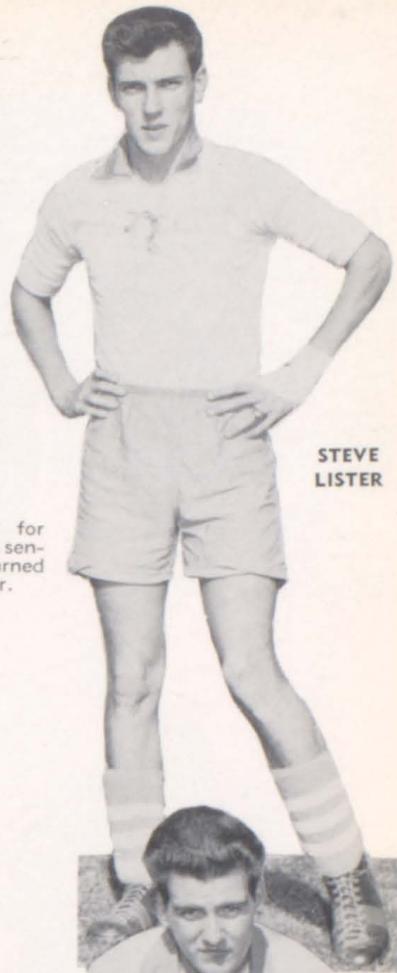

ROBERT REILLY
Coach

SOCER

Soccer was introduced into the Central sports program a few years ago. Few of the boys who came out for the team had ever participated in a soccer game. A steady improvement each year has been achieved with the 1958 team finishing in third place in the City League. The team completed the season with a record of six wins and four losses.

Steve came out for the team in his senior year. He earned his Varsity letter.

**STEVE
LISTER**

**DANIEL
CHROMOWSKY**

Danny came out for the team in his senior year and played varsity forward. He was selected on the Newark New All-County Soccer Team as a forward.

**LOUIS
KALORIN**

Lou was a mainstay on the forward line for three seasons. He received Varsity letters in '56-'57-'58. Kalorin was appointed Captain of the 1958 team by Coach Reilly. He was a dependable player.

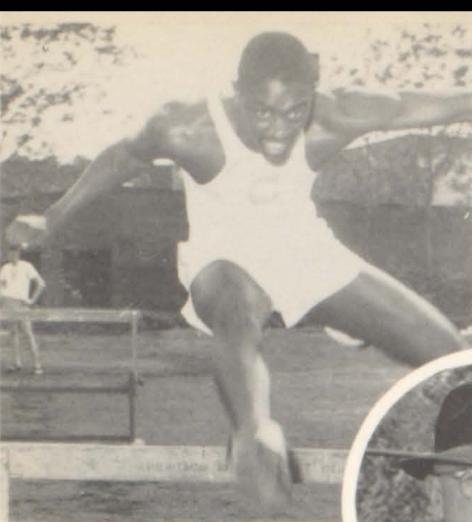

**ROBERT
OWENS**

Bob was a good defensive fullback whose tremendous kicks kept the opposing teams on the defense. He played varsity soccer in '56-'57-'58 and was always fighting for the team. He showed real team spirit.

TRACK

Central's track team under the direction of Coach Bauer completed a successful 1958 season. With a third place in indoor and a second place in outdoor competition in the City Track Meets, the boys ran with spirit and determination. The team was well-balanced and defeated all the other Newark High Schools in dual outdoor track meets.

MARVIN HEWLETT

Marvin competed as a hurdler in outdoor track in his senior year and earned his Varsity letter in 1958.

WILLIAM BAUER
Coach

**CHARLES
BURNETT**

Charles competed in indoor track in 1957 and in outdoor track in 1957 and 1958. He ran the 100 yard and 220 yard dashes. He finished third in the finals of the 1958 100 yard dash in the City Track meet. He won Varsity letters in 1957 and was one of the team's most consistent scorers.

**SHELLIE
SAMPSON, JR.**

Shellie ran both indoor and outdoor track. He was a valuable member of the teams and ran in the mile race. Sampson was a good competitor who fought all the way.

**WILLIAM
MOSS**

Bill earned his Varsity letters in 1956, '57, and '58. He was an outstanding hurdler and broad jumper who earned many points for our teams during three years of competition.

**EDWARD
HARDY**

In his senior year, Ed joined the outdoor track squad. He ran the mile and earned his Varsity letter in 1958.

**GREENLEAF, SAMPSON AND
HARDY ROMPING ALONG**

CROSS COUNTRY

The team failed to repeat its championship performance of 1957, but was in the midst of the competition in the City, County, and State meets. The boys finished third in the City and County meets and in sixth place in the State meet. Coach Fleischman and his boys are to be congratulated on a splendid showing.

SHELLIE SAMPSON, JR.
He was a member of the 1957 Cross Country City Championship squad. Shellie participated for three years. Few Centralites have earned the honor of winning six Varsity letters in Cross Country and Track.

ALFRED MARSHALL

... on the tendencies of human action

"By the fundamental impulses of our nature we all — high and low, learned and unlearned — are in our several degrees constantly striving to understand the courses of human action, and to shape them for our purposes, whether selfish or unselfish, whether noble or ignoble. And since we must form to ourselves some notions of the tendencies of human action, our choice is between forming those notions carelessly and forming them carefully. The harder the task, the greater the need for steady patient inquiry; for turning to account the experience, that has been reaped by the more advanced physical sciences; and for framing as best we can well thought-out estimates, or provisional laws, of the tendencies of human action."

— Principles of Economics, 1892

BENJAMIN FRANKLIN

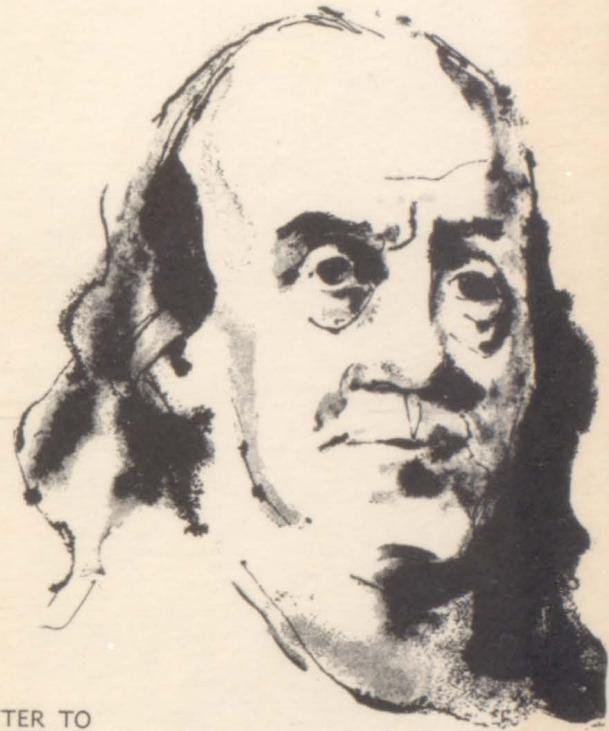

CENTRAL HIGH SCHOOL • NEWARK • NEW JERSEY

COG 'N' PEN

on science and humanity

"The rapid progress true science now makes, occasions my regretting sometimes that I was born so soon. It is impossible to imagine the height to which may be carried, in a thousand years, the power of man over matter. We may perhaps learn to deprive large masses of their gravity, and give them absolute levity, for the sake of easy transport. Agriculture may diminish its labor and double its produce; all diseases may by sure means be prevented or cured, not excepting even that of old age, and our lives lengthened at pleasure even beyond the antediluvian standard. O that moral science were in as fair a way of improvement, that men would cease to be wolves to one another, and that they now improperly call humanity!"
